**IT Officer**

**Applying for IT Officer Position**

Dear **Mr. /Madam**,

I am writing to apply for the position of **IT Officer** advertised on the Internet. My bachelor's degree in Computer Science with my good interpersonal skill exactly makes me one of the active and good IT Officer at your company.

I have graduated from Royal University of Phnom Penh 2 years ago. I have enough ability to do anything with high responsibility. Especially, I am a person who is patient, flexible, challenge, fast learner, honest, friendly, independent, be able to work as part of a team or individually, multi-task, prioritize and in any circumstance. According to my knowledge, along with my inter-personal skills, makes me a good candidate for this position in your company and I am fully hope that I can apply it in your company in order to assist and achieve your objective.

I would appreciate the opportunity to discuss with you my qualifications in IT experience. I am available for an interview at your convenience. I look forward to hearing from you.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'Than Ravy', with a stylized flourish at the end.

Than Ravy
